## ESSENTIALS TO KNOW ...

**Utility hookup:** Electricity is with Edison, **1-800-655-4555**. Propane is available through several vendors: AC Propane, **(951) 769-0227**; Ballard Gas, **(951) 652-6854**; Ferrellgas, **659-4085**; Mutual Propane, **(909) 208-2159**; and Suburban Propane **659-2642**. Water service depends on where you live: Fern Valley residents call Fern Valley Water District, **659-2200**; Idyllwild residents call Idyllwild Water District, **659-2143**; Pine Cove residents call Pine Cove Water District, **659-2675**; and Garner Valley and Lake Hemet customers call Lake Hemet Municipal Water District, **658-3241**.

**How do I get mail?** Idyllwild, Pine Cove and Mountain Center residents receive mail in post office boxes only. To get a box, take a utility bill or something that shows your local residence address to your nearest post office. Idyllwild Post Office is located in the Strawberry Creek Square off Village Center Drive. Pine Cove Post Office is at the Pine Cove Market and the Mountain Center Post Office is at the intersection of highways 243 and 74. If you live in Garner Valley, you can get mail delivered by postal route. Visit the Mountain Center Post Office for more information. FedEx and UPS both deliver and pick up on the Hill. Their phone numbers are: FedEx, **1-800-463-3339**; and UPS, **1-800-742-5877**.

**Trash:** Private businesses and Waste Management, **1-800-874-7774**, will haul your trash. Most people haul their own to the Idyllwild Transfer Station on Saunders Meadow Road. Recycling is encouraged there and large bins are available, no pre-sorting required (except for cardboard), just dump the glass with the paper. Bins also are available for bulky items and an area is set aside for dumping vegetation matter (pine needles, leaves, branches). The transfer station also accepts computer equipment.

**Newspaper delivery:** The weekly Idyllwild Town Crier is mailed and put in newspaper stands around town every Wednesday morning (unless Monday is a holiday, then delivery is Thursday). Call **659-2145** for a subscription. The Riverside Press-Enterprise, **1-800-794-6397**, and Los Angeles Times, **1-800-252-9541**, are available daily in newsstands. The L. A. Times also is available by home delivery.

**Where are the stores?** Village Market is located on Highway 243 near North Circle Drive. Village Hardware is located right next door. Fairway Market, Idyllwild Pharmacy and Mountain Harvest Market are in the Strawberry Creek Square off Village Center Drive. Forest Lumber is located on Lower Pine Crest Avenue. Nearby on Maranatha Drive is Community Lumber. Pick up an Idyllwild Magazine & Visitor's Guide for more on local shopping. Off-Hill shopping is about 45 minutes away in Hemet or Banning and about an hour away in Palm Desert. These cities have large chain stores.

## Driver and vehicle licenses:

Department of Motor Vehicles, 1200 S. State St., Hemet, **1-800-777-0133** or log on to **www.dmv.ca.gov/**

**Registering to vote:** Voter registration forms are available at the Idyllwild and Mountain Center post offices and Idyllwild Library, by calling the Riverside County Registrar of Voters **(951) 486-7200** or online (**www.ss.ca.gov/elections/votereg1.html**). Idyllwild residents vote at Town Hall on Cedar Street. Residents of Pine Cove and other Hill communities vote by mail.

## Peculiarities ...

Locals call the area "the Hill." The local Post Office is where people hang out and where service organizations set up card tables to sell event tickets and other fundraising items. Idyllwild has about 75 volunteer/service organizations, one for every 42 residents. There are three water districts instead of one, serving about 2,000 meters. Every few years, efforts to combine the water districts, incorporate the town or install a traffic light are defeated. The only "chain" businesses are the gas stations and a few real estate offices; otherwise the stores are mom-and-pop outfits. Strawberry Creek Square's parking lot is a one-way loop, but often only the locals know this since the arrows fade away. Newcomers usually learn this navigational peculiarity the hard way. Idyllwild Arts Academy presents professional-level concerts, dances, films and art shows, mostly free, by talented students from all over the world.

## **SURVIVING ...**

**Snow:** In winter, passing storms dump tons of snow on Idyllwild, sometimes causing panic among the unprepared. Caltrans plows the highways and Riverside County Transportation plows the residential streets. Be prepared to have to shovel snow berms from around your vehicle that snowplows create.

**Emergency information:** In an emergency, such as a wildfire, the Town Crier newspaper gives updates on its Web site ([www.towncrier.com](http://www.towncrier.com)).

**Crime:** For emergencies, **call 911**. For nonemergencies, call Riverside County Sheriff's Department, **1-800-950-2444**.

**Fire: Call 911** to report smoke or fire.

**Power outages/lines down:** Call SCE at **1-800-611-1911**.

## **WHO RUNS THE TOWN?**

Idyllwild-area communities are unincorporated. The main local level of government is Riverside County with the county seat in Riverside. Idyllwild is in the 3rd District of the county. The 3rd District county supervisor is Jeff Stone in Riverside. He has two advisory boards in Idyllwild. County Service Area 38 is located in Pine Cove and covers ambulance/fire service. County Service Area 36 is in Idyllwild and covers recreation/street lamps. The Idyllwild Community Recreation Council (ICRC) has a contract with the county to run recreation programs within CSA 36. Idyllwild-area communities have four water districts and a fire district, all with five-member boards, that are separate from the county government. Within and surrounding Idyllwild are county, state and federal lands. The largest area — the San Bernardino National Forest — is run by the U.S. Forest Service.

## **OTHER STUFF ...**

**Filing a Fictitious Business Name Statement:** This protects your business name and usually is required in order to open a bank account. You can either file one at the Riverside County Recorder's Office, 880 N State St., Room B-6, Hemet, **(951) 766-2500**, or through the Town Crier, 54295 Village Center Dr., Idyllwild, **659-2145**.

Department of Alcoholic Beverage Control, 42-700 Bob Hope Drive, Suite 317, Rancho Mirage, **(760) 568-0990**.

## **FUN ...**

**Barbecue permits:** Idyllwild Fire Department requires residents to have a permit for barbecues on private property. One-day permits are required for fire rings and barbecues in Idyllwild. The permit is free and available at the station. Riverside County Fire, which covers Pine Cove, Mountain Center and Garner Valley, does not have barbecue regulations.

## A GUIDE TO LIVING IN IDYLLWILD

*Continued from previous page*

**Parks:** Idyllwild County Park off of Lower Pine Crest Avenue has picnic tables, as does the Idyllwild Nature Center and Mt. San Jacinto State Park, both north of Idyllwild off of Highway 243. They all have fees. The Idyllwild Area Historical Society on North Circle Drive has picnic tables for free use. Most hiking trails are in wilderness areas and require a free permit. Visit the Idyllwild Ranger Station at the corner of Highway 243 and Pine Crest Avenue or Mt. San Jacinto State Park for permits. Also, if you park on Forest Service land, you may need an

Adventure Pass from the Idyllwild Ranger Station. There is a charge for the pass.

## DISASTER READINESS ... DON'T PANIC!

Be prepared for any emergency that might arise. Inquire about emergency plans that will be put in place at schools or workplaces. Discuss emergency plans and procedures with other members of the household so everyone can act as a unit, each holding individual responsibilities.

Emergencies sometimes occur while driving. Some of the items listed at the right also should be kept in the car.

## LOCAL DISASTER PREPAREDNESS PROGRAMS

Mountain Disaster Preparedness is a volunteer unit of Civil Defense organized to help meet the community's needs in the event of an earthquake, a wildfire or unusually severe weather.

Its members are from Idyllwild, Mountain Center and Pine Cove. They include amateur radio operators, medical personnel and other community residents assigned to various portions of the Hill. Their job is to serve as a local support for agencies responsible for fire suppression, protection of life and property and the maintenance of civil order. Volunteers are needed. For information, call Nancy Layton at **659-8100**.

Although natural disasters alone pose a threat to the Hill's citizens, their resultant effects on roads leading to the mountain communities also are a threat. Road closures could temporarily isolate residents from off-Hill support.

Emergency radio station WNKI, **1610 AM**, gives updates on conditions following an emergency situation. It will include information on roads, school closures, food and shelter locations and emergency medical facilities. The station broadcasts 8 a.m.-5 p.m. daily in nonemergency situations and 24 hours in emergency situations as long as the emergency exists.

Also, Hill residents may visit the Idyllwild Town Crier's Web site at **www.towncrier.com** during emergencies for updates.

In the case of a disaster, Hill residents should go to one of the eight designated Neighborhood

Collection Points shown on bulletin boards at the Idyllwild and Pine Cove post offices.

## IMPORTANT ITEMS TO HAVE ON HAND...

A plan for family members to reunite if a telephone is not available.

Flashlights with spare batteries.

Portable radio with spare batteries.

First aid kit and instructional handbook.

Fire extinguishers.

Food (canned, dry or dehydrated) for a week to 10 days for all members of the family (including those with special dietary needs). Don't forget household pets.

Water, two quarts per day per person. Water heater and toilet tank (not bowl) can be used as emergency sources.

Alternate cooking source, such as a barbecue grill or outdoor stove, with appropriate fuel.

Matches, kept in a watertight container.

Alternate heat source, such as a wood-burning stove or fireplace, that does not rely on electricity or gas service.

Tools, such as a pipe wrench and crescent wrench for turning off gas and water mains.

Supplies for hygiene and sanitation, such as plastic bags, pre-moistened towelettes, toilet paper and soap, and chlorine bleach.

Heavy shoes and work gloves for each member of the household.

Warm clothing and blankets.

Alternative housing, such as a tent, sleeping bags, etc.

## IN AN EARTHQUAKE...

**IF INDOORS** — stay there. Get under a table or desk or stand in a doorway. Stay away from windows, mirrors, bookcases and fireplaces. If possible, turn off the stove if it is on.

**IF OUTDOORS** — stay in the open, away from buildings, walls, trees or power lines.

**IF IN A CAR** — pull over to the side of the road, away from power lines, rocky hillsides, bridges or overpasses. Stay in the car and turn on the radio.
